

Hand Cleansing Reduces the Spread of Germs and:

- Increases Your School's ADA Funding
- Reduces Illness Absenteeism 31-42%
- Improves Kids' Test Scores because Kids are in School!

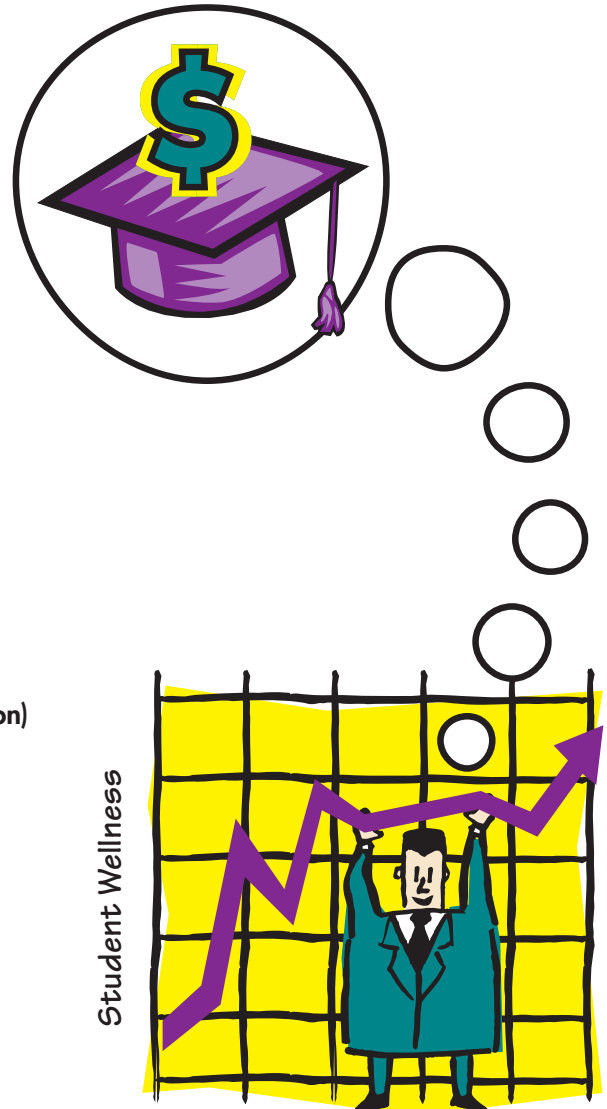

Attendance is #1 factor in academic success
Increasing student attendance will increase
school's financial health

The ABC Program Works!

The Simple As ABC "Always Be Clean" Hand Hygiene Program® promotes proper hand hygiene with the use of HandClens® Alcohol-Free Instant Hand Sanitizer as a supplement to hand washing.

The program includes:

- **85-page program manual provided in hard copy and on CD-ROM**
 - Classroom lessons & Assembly script
 - Faculty & Parent education
 - Hand Washing Instruction Posters
- **HandClens Alcohol-Free Instant Hand Sanitizer (2 in 1 Sanitizer & Lotion)**
 - Kills 99.99% of illness-causing germs in 15 seconds
 - Won't burn eyes, won't sting small cuts and abrasions
 - Non flammable
 - Doesn't dry out skin
 - Saves on paper towels
- **Multiple Dispensing Options**
 - 1800 mL free-standing or wall-mounted foam dispensers for classrooms, cafeteria line, library/media center
 - 3600 applications!
 - 1.7 oz, 8.0 oz, and 0.5 oz portable sizes for lunch monitors, playground supervisors, and offices

Student Wellness

Financial Health &
Student Achievement

The ABC Program More Than Pays For Itself!

Example using 1800 mL HandClens Dispenser (3,600 Applications)

Applications Needed to Achieve Reduction in Illness-Absenteeism	Cost per Individual Student per Year †	Cost per Class of 20 Students per Year †	Cost per Class of 35 Students per Year †
Ideal – 6x/day	\$3.24*	\$64.80	\$113.40
Recommended – 4.5x/day	\$2.43*	\$48.60	\$85.05
Minimum – 3x/day	\$1.62*	\$32.40	\$56.70

Increasing attendance by 31% (based on clinical studies) can produce an ADA return on investment around 90%.

† 180 Days = an academic year

* Investment per Person per Academic Year

“Teachers and staff are very receptive to this education information... no one wants to be sick. HandClens is unique because it is alcohol-free, so there are no issues with flammability or stinging the children’s hands.”

Charlene Kisner, RN, Coordinating Nurse
Fullerton Unified School District
Fullerton, CA

“We believe the attendance at Grace Christian School has improved, especially during the cold and flu season, because we use HandClens and because the students and staff are more aware of the importance of keeping their hands clean.”

Frank Coburn, Principal
Grace Christian School
Cypress, CA
